1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest, in combination with other limitations, that sending the first view request and second view request, receiving the first view and second view, and sending the first information and second information are performed by the user.

2. A review of claims 6, 7, 28, 34, and 41, in view of the Examiner's arguments above, indicates that claims 6, 7, 28, 34, and 41 are allowable over the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The information disclosure statements filed 9/20/04 and 1/3/05 have been placed in the application file, but the information referred to therein has not been considered as to the merits.
